

PRIVACY POLICY

We at GamingLoops understand that making purchases online involves a great deal of trust on your part; we take that trust seriously, and make it our highest priority to ensure the security and confidentiality of the information you provide us, such as name, address, phone number, or e-mail address. As a visitor to our web site, you have the right to understand our privacy practices prior to providing us with any of your information.

What Information We Collect

GamingLoops only collects information that you voluntarily provide to us. We use collected information for marketing and advertising products and services.

How We Use Your Information

GamingLoops uses your information only for the purpose of responding to and fulfilling your requests for products and services.

Who We Share Your Information With

No one. We NEVER share, sell or rent the information you supply to ANYONE.

How We Protect Your Information

Our secure server software (SSL) is the industry standard, and amongst the best software available today for secure commerce transactions. It encrypts ALL of your personal information including credit card number, name, and address, so that it cannot be read as the information travels over the Internet. All personal data is stored securely in accordance with the EU General Data Protection Regulation (Regulation (EU) 2016/679) (GDPR).

GamingLoops

Information Collected about you

GamingLoops collects information about you that you specifically and voluntarily provide, including information that can identify you as a specific individual, such as your name, phone number, or e-mail address. Although you are required to register in order to use some of the transaction tools, many areas of the GamingLoops site can be accessed without providing any information.

GamingLoops collects information when you:
