Reverse Engineering of Obfuscation vol. 1

Thanks for purchase Reverse Engineering of Obfuscation vol. 1 - Cyber Sci-Fi Music Loops. If you need more music visit our website GamingLoops.com There you will find game music carefully selected by us, divided into categories and composed by the best composers.

Description

Reverse Engineering Vol.1 is a tour where you can see the different methods of synthesis. A bit depressing and spooky noises, but still giving little bits of faith in better days. Lots of uncertainty, bits of hope that may shine somewhere at the end of your adventure. In the tracks you will hear many modern industrial, ambient and cyber sci-fi sounds.

Content

1. Nocturnal (loop) [2:36]
2. A Step Back (loop) [4:03]
3. A2 (loop) [1:22]
